BOW TO SELECT SEED COR

Harvesting Seed Corn Choose Medium Sized Ears From Strong, Vigorous Stalks.

THE FIELD

Mere to Danger of Selecting Ears Too Parent If the Season Is Late and that or Frosts Come Early We May Mave a Lot of Soft, Chaffy, Body Light Corn From Which to 3rd Seed for Our Next Year's Crop.

PROF. P. G. HOLDEN, Director Agricultural Department Interna-Manuel Harvester Co. of New Jersey. A good sized ear is essential to a

sield. It indicates that the ear sames from a strong, vigorous, healthy and that in turn it will produce stalks and ears having a strong con stireine and hardiness. No one would wark at selecting for seed small, mak, may-looking ears. Corn has wes bred for the grain or ear until me proportion of corn to stalk is abally high and consequently the stracy is for the ear to become matter unless we select larger ears was expect in the average of the

Select Medium Sized Ears. On the other hand, the greater danin selecting too large ears sed zer large types of corn, and this is separally true of the northern half of he cam belt. For every dollar lost wwwing corn that is too small or make there are ten to twenty dolwas from growing corn that is too was and too late in maturing. If the manner is late and cold, or the frosts men too early, or if the seed is plantand in the spring, the grower has alas as soft, chaffy, moldy, light corn. marition to this it is very difficult mare good seed from such corn br ment year's crop. It is certain to mere or less frozen, moldy and and to result in a poor stand and a poor crop. Large, sappy, immatter care fill the wagon-box rapidly, and we deceive ourselves into think my that we are getting a large yield. issued this kind often contains from The s5 per cent of water. When the men tries it is loose on the cob, chaffy The little cells in the kerenter only partially filled with food are dall and chalky, or starchy, st bright, hard, heavy and to be appearance.

The corn is apt to spoil, especially na the battom of the crib, i. e., burns and it is unpalatable to stock. The same of such corn is required to sell at a greatly reduced price. What we sad is corn that will be safe every Remember that two small ears ing but ten ounces each, to each till will make 64 bushels per acre, or and the average yield. Three of will give nearly 100 bushels per

Title indicates full maturity, good mile, feeding value and yield. Bourge ears will generally have largwork among kernels. Short bunchy contain to have deeper ker-Then long, slim ears. As a conwace the planter cannot be ad-Eta give a uniform drop.

lift we have large and small ears. sands and slim ears, deep kerneled see shallow kerneled ears we shall all may have unevenness in size and there of kernels, but we shall also bee a great variation in time of mamily, some stalks bearing early and bte, and some having high ears at more low.

MOOR SEED MEANS LOW YIELD.

The small eight-ounce ear of sern added to each hill will devote the yield and value of the crop and add \$1,700,000,000 total value.

GROWERS' RULES.

1 Pick seed corn before October saving at least twice as much as

12. Salect only ears that will ripen that are of good quality. A Select from strong, vigorous andia, ears that bend over at medium

tet an medium length shanks. Hang seed corn in a dry, well estimated place, so that the ears do

Select seed corn from your own

16 M you must buy seed corn, buy own locality. 12. In the spring, select the best

men and test each ear. 3 Sefect 100 of the choicest of Chese ears and plant in a separate select from next year.

Immature Corn Freezes. put into the crib in the fall a suppy condition freezes and Saws repeatedly through the winter. The Berch and April when the weather were up, it will be found that the pages of the kernels have turned to color and later become black and are strong to the taste. In this take I have reference not to soft, propertore corn, but to what would be examilered as very good corn except that it is large and contains considerwater.

LOCAL NEWS.

Services of Justice Friegel were necseary Saturday to induce Mrs. James Burton, Clyde street in this city, to allow her daughter to take the latter's child bome. The child had been with the grandmother during an illness of the mother and the grandmother wanted to keep the child.

CASTORIA

For Infants and Children In Use For Over 30 Years Always bears the Signature of Chart Hillthire Always bears

Vary Hard Water.

"Is the water where you live now ard or soft?" aske! the aunt. "It must be pretty hard," replied her niece. "The girl spattered some of it on the lamp chimney the other night and it broke all to pieces."-Ladies' Home Journal.

Warship Gun Rooms.

The gun room of a man-of-war is a cabin where midshipmen, naval cadets and other junior officers pass their time when they are off duty. It came to be called the gun room from being under the care of the gunner in days gone by.

PROCEEDINGS OF THE COM-MISSION.

Owosso, September 13, 1915. Regular meeting of the Commission, Mayor DeYoung presiding Members present: DeYoung, Hanseom Roseyear.

The minutes of the last regular meeting were read and approved as printed.

PETITIONS

The following petition was presented and on motion of Mr. Hauscom same was laid on the table, ayes DeYoung, Hanscom. Rosevear: Petition No. 721

Petition No. 721
To the Commission of the City of Owosso,
Geatlemen:
The undersigned, Martin B. Zuber and Louise
Luckemann, the owners of all of block
twenty-nine (29) of the original plat of the
City of Owosso, except the north sixty-six (66)
feet thereof, hereby petition your honorable
body to take the proper steps to cause to be
vacated the alley which was originally laid
out upon the southwesternly side of said
block, extending from the south lins of Comstock street in the City of Owosso to the west
side of Washington street in said city.
Your petitioners represent that said alley
has not been used for the past forty years as
an alley, and that your petitioners and their
predecessors in title have given title to a
portion of said alley by adverse possession,
that said alley is not so situated as to be of
any benefit to the city and in the opinion of
your petitioners should be vacated.
The foregoing is submitted for your respectful consideration and your petitioners will
ever pray etc.

Louise Luckemann.

Louise Lucckemann, Martin B. Zuber.

The following petition was presented and referred to the department of public utilities: Petition No. 722

To the Commission of the City of Owosso:
The uddersigned property owners respectfully petition your honorable body to cause a street light to be placed at the corner of Frederick and Nelson streets.

Charles Gerard and 11 others.

REPORTS OF CITY OFFICERS. The report of the Justice of the Peace showing \$91.05 received in fees and fines during August, was presented and filed.

The report of the Librarian for the month of August was presented and filed. The following report was presented and ordered printed:

F. L. HANSCOM, Commissioner of Public Improvements.

Resolved by the commission of the city of Owosso that it is hereby determined to be a necessary public improvement that sidewalks be laid down, constructed and built on the different streets and in front of the property above described, and of the materials and dimensions mentioned in the above report of the commissioner of Public Improvements, to be built and constructed according to the terms of an ordinance entitled "An ordinance to provide for the building, construction and repair of side walks in the city of Owosso," passed and approved March 28th, 1910, and amended July lat. 1913.

The Commission is hereby directed to notify the owners and occupants of the premises

July 1st, 1913.

The Commission is hereby directed to notify the owners and occupants of the premises above described that the same will be built under the direction of the city in accordance with the terms of said ordinance after the expiration of the time for notice prescribed in said ordinance.

NEW BUSINESS The application of Earl C. Lepior for license to operate one five passenger automobile, accompanied by a bond with William A. Wright and George U. Wright as sureties was presented. Mr. Rosevear moved that the bond be accepted and sureties approved, which prevailed, ayes DeYoung, Hansoom, Rosevear.

the table, ayes De Young. Hanscom, Rosevear.
Resolution No. 875.

Resolution No. 875.

Resoluted by the Commission of the City of Owosso that the Mayor be and is hereby directed and authorized to cause notice to be served upon all persons or corporations owning, maintaining, or using any telephone, telegraps, or electric light poles upon any of the streets hereinafter described to cause the same to be removed on or before the first day of January, 1916. The said poles to be removed in the following streets: Washington street from the tracks of the Grand Trunk Railway Co., north to Mason street, Main street from Park street west to State street, Exchange street, from Park street west to Water street. Ball street from Mason street south to Comstock street, all being in the City of Owosso, Shiawassee County, Michigan.

Be it further resolved that it is the intention of this Commission to compel the removal within the time above stated of all telegraph.

tion of this Commission to compel the removal within the time above stated of all telegraph, telephone or electric light poles situated and being upon or in any of the above named streats.

Be it further resolved that in default of the removal of any telephone, telegraph, or electric light poles situated or in any of the above named streets within the time above limited, the mayor of the City of Owosso is hereby directed, instructed and authorized to cause said poles so situated to be forthwith removed.

and for the purpose of removing such poles, the mayor of the City of Owosso is hereby authorized to employ such assistance as he shall deem necessary.

This being the date set for hearing objections to the construction of a curb and gutter on Shiawassee street from O wer street to the bridge and on Williams street from Shiawassee street to Adams street, an opportunity was given for objections. Mr iGeorge Dewey, representing the Thomas estate C. C. Carpenter and Hugh M. Miller, flied a verbal protest against the curb on Williams street. Mr. C. M. Miller also protested verbally against the curb on Williams street.

Mr. Rosevear moved that the hearing be postponed for one week, which prevalled, ayes DeYoung, Hanscom, Rosevear

This being the date set for hearing objections to the construction of a curb on Ciark avenue between Oliver street and Lee street, an opportunity was given for objections. None were presented. The special assessment for sale improvement was presented and reviewed. No protests to to the a ssessment were offered.

The following resolution was presented and on motion of Mr. Rosevear same was adopted, ayes DeYoung, Hanscom, Rosevear: Resolution No. 876

Resolution No. 876

Whereas, the City Clerk has, pursuant to a resolution of this Commission, passed upon the 23d day of August A. D. 1915, given notice according to the terms of the charter of the City of Owosso, of the intention of the Commission to construct a cement concrete curb and gutter along the east side of Clark avenue from Oliver street north to Lee street and along the west side of Clark avenue from Oliver street north to a point where the north line of Lee street would intersect the west side of Clark avenue.

And that this Commission would meet at the office of the City Clerk in said city, upon this date, and hear objections to said proposed improvement and at the same time review the assessment roll for the special assessment for said improvement, at which time and place opportunity would be given all persons interested to be heard regarding said improvement, and whereas, said commission did meet, at the time and place mentioned in said notice and did give opportunity to all persons interested to be heard regarding said improvement and the assessment, and whereas, no objections were made to said improvement nor the assessment.

Be it resolved by the Commission of the City of Owosso that said improvement be made

Be it resolved by the Commission of the City of Owosso that said improvement be made and that said curb and gutter upon Clark avenue as above set forth be constructed at an estimated cost of \$239.50, of which sum \$261.80 shall be paid by special assessment, and the remainder of said money to be paid from the general street fund of the City of Owosso.

Be it further resolved, that whereas all objections to said special assessment roll for the foregoing improvement have been duly considered, and said assessment roll has been reviewed by this commission, and said assessment roll for the construction of curb on Clark avenue as above set forth be and the same is, hereby confirmed.

Be it further resolved by this Commission, that she assessments set forth in said roll be collected directly from said special assessment roll the same to become due and payable October 1, 1915.

The following resolution was presented and on motion of Mr. Hanscom same was adopted, ayes DeYoung, Hanscom, Rosevear:

Resolved by the Commission of the City of Owosso that the claims and accounts hereto attached be approved and the Mayor and Clerk are hereby instructed to issue a warrant on the City Treasurer against the various funds for
